

Dear Parent,

Dudley Trust has subscribed to **Britannica Digital Learning**

We wanted to make you aware that your children will be using this resource to improve educational outcomes.

Start using Britannica as your learning resource and you will find **a safe world where truth is the outcome!**

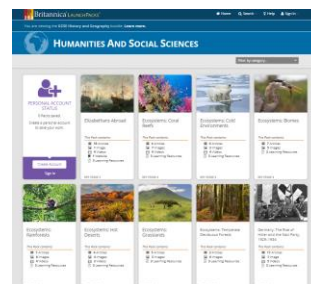

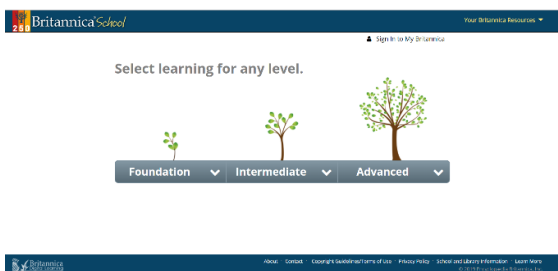

Britannica offers what no other search engine can: inspiring **curiosity in children and educators.**

Britannica is updated every 20 minutes by a team of over 60 editors, articles are curriculum mapped, differentiated and translated into over 120 languages. Explore the world without fake news!

Britannica School is a perfect **match to the new Inspection Framework**. We have covered the depth and breadth of the curriculum, supporting student-led inquiry, whilst also ensuring pupils develop core skills and subject-area mastery. The idea is that as students dive into content, **they build on skills and knowledge achieving clearly defined evaluation points at the end to measure their learning.**
