

PUPIL PREMIUM – PLANNED SPEND AND PREDICTED IMPACT 2020/2021

MO MOWLAM ACADEMY

The Pupil Premium is designed to ensure that funding to tackle disadvantaged students reaches those who need it most and has a positive impact upon narrowing the outcome gaps. The funding is allocated to Local Authorities and schools with students from Early Years to Year 11 who are looked after, have parents currently in the Armed Forces or are eligible for free school meals (FSM), including those eligible for FSM at any point in their childhood.

The Government does not prescribe how pupil premium should be spent, believing that schools are in the best position to decide - on the basis of available evidence of what works well elsewhere - the appropriate strategies in their particular circumstances. This report highlights how the funding will be used during the academic year 2020-2021.

The proportion of disadvantaged students, those supported by pupil premium at Mo Mowlam Academy is much higher than average, with 50 students (82%) of the cohort classed as disadvantaged.

PROJECT	PLANNED SPEND	PREDICTED IMPACT
Quality of Education		
Deliver personalised interventions to close the gap in literacy and numeracy. TA time allocated.	18,466	The gap between progress of PP and non PP students in maths and English will be closed
Provide specific resources to aid concentration and ensure students can access learning in the classroom.	3,000	There will be a decrease in lost learning time and learning walks will identify students are on task and engaged in learning activities
Behaviour and Attitudes		
Promote good attendance by removing barriers such as transport for those who are not eligible through the LA	4,000	The attendance of pupil premium students will improve
Provide personalised support for the families of those students who are not attending regularly (attendance and welfare service)	3639	Case studies of individual pupils/students who are referred to the attendance and welfare service will show improvements in individual attendance
Reward good attendance and behaviour through enriching experiences where students can further develop their social skills	3000	Students will access enriching activities which will have a positive impact on their mental health and well being. These experiences will provide motivation for sustained improvements
Personal Development		
Ensure students in KS4 are prepared for the world	23,580	KS4 students will have improved attendance and will leave school with a broader variety of qualifications

of work by providing a variety of vocational placements.
