

## PREPARING FOR ADULTHOOD (PfA) EVENT

**We are delighted to invite you to the Preparing for Adulthood event for young people with Special Education Needs and Disabilities (SEND) and their parent/carers in Redcar and Cleveland**

**When: Wednesday 25<sup>th</sup> May 2022**

**Where: Redcar & Cleveland College, Corporation Road, Redcar**

**What time: 4pm – 7pm**

This year's PfA event aims to support, advise and inform young people and their families of some of the options available to them for their future. This is a great opportunity for young people, parents, carers and professionals to discover what provisions are available in and around the Redcar and Cleveland area for children and young people with Special Educational Needs. It is hoped that this event will hopefully allay some of the fears that exist surrounding transition.

**We have invited a range of organisations, covering several topics including;**

**Employment/Education and Training** – colleges, post 16 providers, supported internship providers, supported employment, voluntary work, employers

**Community Inclusion** – community activities, youth centres, making friends, taking part in all activities and being a valued member of the local community

**Good Health** - physical and mental well-being, health eating and developing emotional resilience

**Independence** – independent travel training, supported housing, having independence and a lifestyle that young people want to be as independent as possible
